CLASS OF 2003: MAKING HEADLINES

Honoring He Who Served The Class of 2003

By: Marie Cetoute

We honor a man who has been many things to many people, but more importantly to the graduating class of 2003. For most of us, Mr. Still has been a mentor, counselor, and friend. He is a true example of an unsung hero.

A graduate of English High and Brandeis University, Mr. Still left his previous position as the Head Men's Basketball Coach at Brandeis University, and came to the John D. O'Bryant in 2001 as the new Guidance Counselor for the class of 2003. For many it would've been a difficult transition, because dealing with inner city high school students isn't the same as dealing with college men who have a higher level of maturity and understanding.

When asked how he feels about being a Guidance Counselor for the students at O'Bryant, Mr. still replied, "I really enjoy it. I love the kids because they are really good kids. I have a way that really fits with the kids where I'm able to comfortably talk with them." He really does have a way that really fits with us O'B cats, because he's touched most of us in more ways than one. He dares us to not only have dreams but make it a reality. He once told me if he would ever give advice to a student when it comes to his or her education it would be "Don't ever think its a rehearsal.

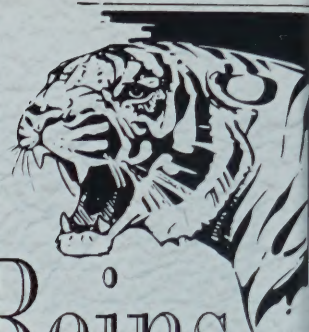

Kenneth Still

School isn't all fun and games because it's the real thing. Correct any bad behavior to be the best that you can be."

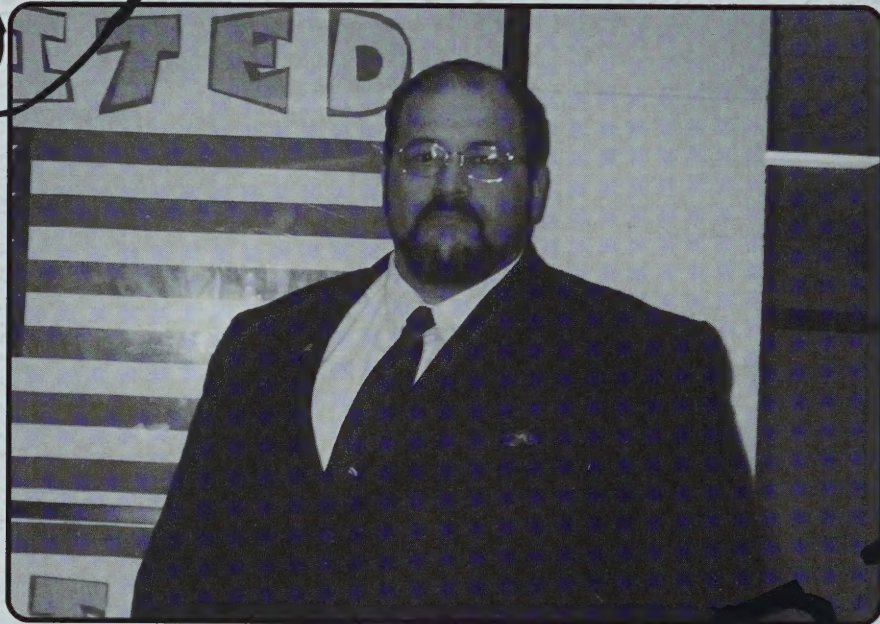

Mr. Still is unconventional in his methods of guiding us but dedicates himself to instilling values such as respect and appreciation of ourselves as well as others. He has a keen sense of assessing those he contacts on a day to day basis. You feel important when he does little things like sidetracking from his course to come before you and ask if everything's okay, or meeting with you privately and giving you his undivided attention. For a 'little guy', when he thinks you're not acting right, he isn't afraid to step up with in an inch of your face then say something like, "Get your act together," or "Get your rusty dusty to class."

The graduating class of 2003 dedicates our yearbook to Mr. Still. We are filled with deep appreciation for his guidance, help, support and understanding for the past two years.

Jose Vidot: Takes the Reins

Headmaster's Address

Dear Senior Class,

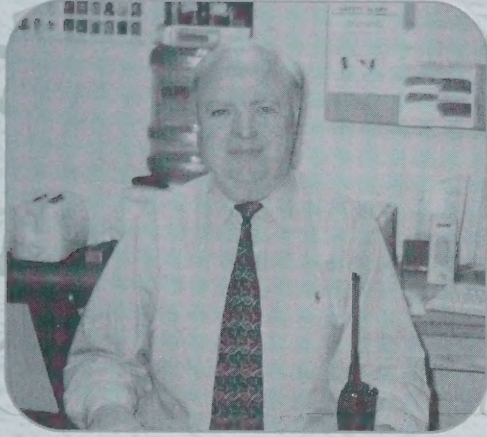

Congratulations! You are ready to graduate from one of the finest public schools in the city of Boston. Many of you have enjoyed an early start on your journey to responsible adulthood. You've demonstrated this through your service to the community, your leadership in shaping the experiences of the O'Bryant community and your diligence in academic achievement.

I am proud of each and every one of you. You have preserved and completed all that we've demanded from you. You have met the challenge and I feel confident that you will not digress from taking your place in the world as the shapers of a society full of challenges. Again, I want to congratulate you and I look forward to hearing from you as alumni in the years to come.

Sincerely,

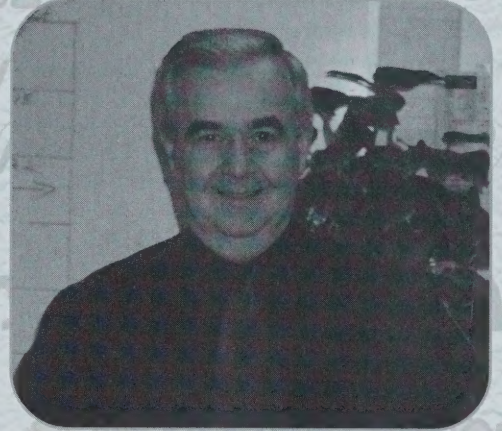

Mr. Jose Vidot
Headmaster.

Changes in Administration!

Mr. Staples

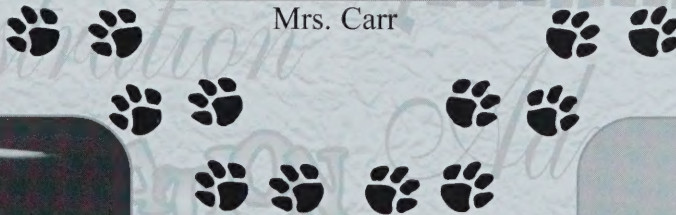

Changes have come in the 2002-2003 administration. Unfortunately two of the best assistant principals will be leaving. Mr. Staples who has been in the school system for 38 years and Mr. Wood who has been in the system for 35 years will be retiring. We appreciate their dedication to the needs of the O'Bryant students. Our best wishes go out to them.

When I was told to write something about this year I wanted to do something different just because this class is different. We are truly a class like no other and I wholeheartedly believe we are the best. We are the first class that needed to pass the MCAS as a graduation requirement and 100% of us did that without a problem. We were the first class to initiate Spirit Week at the Jonh D. O'Bryant and also despite all of the various backgrounds that this class is made of we are all able to get along. It was truly difficult to come up with something to describe how great this class really is, but after a great deal of thinking, this is what I came up with. I hope you enjoy it.

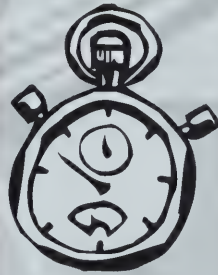

Well, what can I say about **The Class of 2003**,
 We are a dynasty like no other and something this school will never again see.
 We set the bar, and set it high for every class after us,
 We were able to withstand the work and conflicts when it all became too much.
 This class is destined for greatness and definitely is a step up above the rest,
 Overcoming personal trials and tribulations and a number of other tests.
 But, the end of your high school career is just the beginning of another,
 And the only way you will make it is if you learn how to rely on each other
 Remember where you came from and then you will know where you need to go,
 Remember those who fought to get you in high position instead of ones that are low
 In high school you develop into the person you will eventually be in life,
 Being molded by the good times and the bad times filled with strife.
 Nevertheless, this isn't the end, it is the start of something new,
 And where you go from here is really not affected by the things you have done,
 but all the things you plan and will do.
 You are starting a new chapter in your life where you can be whatever your heart may desire.
 Just remember don't stop, don't quit, go after whatever you want with determination, passion,
 and fire.
 Each one of you is special and is destined to be here,
 Success will soon be yours, and is slowly drawing near.
 Fight the good fight and claim what is rightfully yours,
 Don't even stop when there are obstacles in your way or even if there are closed doors.
 Stay positive in your mindset and be true to who you are,
 And don't worry, each and every one of you is already destined to go far.
 You won't do all right, or even O.K. in life; you will do much better than fine
 Making headlines in a direction you choose in just a matter of time
 You may ask, how do I know this class is going to make it, how do we know we have no choice
 but to succeed.

Well, I know this just because.....we are **The Class of 2003**

Flashback

A Step Back in Time.

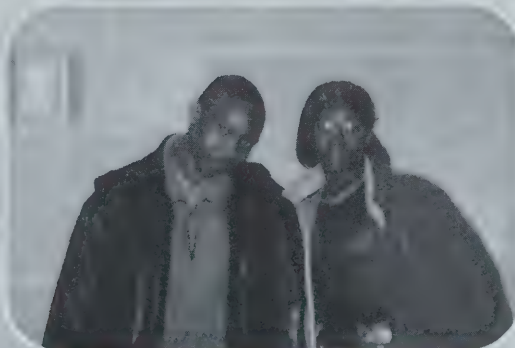

7th and 8th Grade

A time when the bookbags were bigger than our bodies.

When races to get into the lunch line were daily.

When we couldn't believe that we'd be here for another 5 years.

Flashback

The Cluster vs. Regular Schooling

9th Grade

We came to a fork in the road
that all students must travel.
One road pointed to the cluster,
one pointed to traditional schooling.
We each traveled are designated road.
And that has made all the difference.

Flashback

Passing the Test

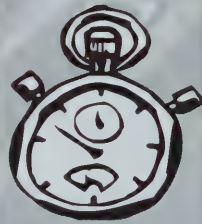

10th Grade

“The world is so fast that there are days when the person who says it can’t be done is interrupted by the person who is doing it”

Flashback Almost There!

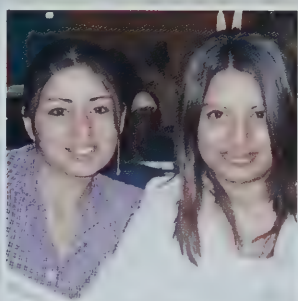

11th Grade

When your adversaries tell you
that you can't go any farther, just
tell them to look behind you and
see how far you've come.

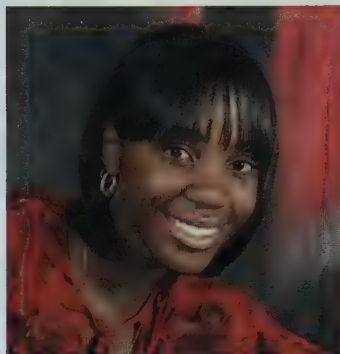

Say Cheese!

THE VOTES ARE IN! Seniors this year have chosen who their favorites are. Our yearbook committee had their work cut out for them because this year's superlatives have set the record for showing the most discrepancy during the voting process. Contrary to the rumors of tampered votes the reason for the infamous revote was the slow return of senior's ballots. The decision to institute a revote came about after the yearbook committee, in an unanimous decision agreed to a revote. The second set of results were then finalized to reveal the class's ultimate choices for the yearbook.

As A Team We

YB: How do you think the team did as a whole?

I believe we did very well as a team. Although poor preparation was reflected in competition for some, hard work was always noticed.

YB: What are some of your most fondest memories? My most fondest memories with the cheerleaders would be buggin' out at the football games, being able to bond with the team and preparing for the battles.

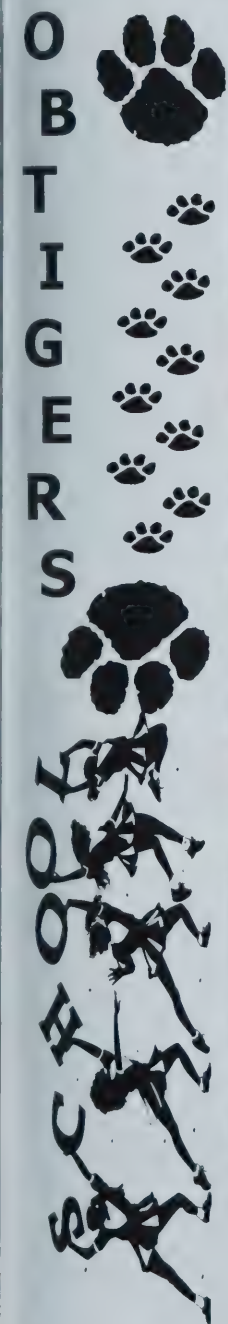

YB: What would you like to see more of next year?

I would like to see more dedication from cheerleaders, and I would like to see the cheerleaders go the extra mile for the team. It takes a team to make it work because we are always going to win together and lose together.

YB: How do you feel the team did as a whole?

I believe the team progressed from the previous year and really came together when it counted.

YB: What were some of the major accomplishments/triumphs?

Overcoming the loss of both coaches was a major triumph but it was also a major accomplishment because it made us stronger.

YB: What would you like to see more of next year?

I would definitely like to see more teamwork and heart. A lot of players stepped up and the majority of the team will still be here next year.

I just hope we play hard!

YBK: How do you feel the team did as a whole this year? **I think the team did very well this year. The team effort and support was good for the most part.**

YBK: What were some of the major accomplishments? **I believe it was sticking together as a team and being there to fill in whenever needed**

YBK: What would you like to see more of next year? **I can't really say that I'd like to see a lot more because we did very well this year. I just hope when JV and Varsity meet, things will go over very smoothly.**

O'Bryant Softball is # 1!

Baseball

Craig Crowley

Don't dwell on the failures and setbacks, just strive to succeed over the failures and turn them into triumphs!

YBK: What were some of the teams major accomplishments? **Beating Burke and Hyde Park**

YBK: How do you feel the team did as a whole this year? **We did our best but did not finish as well as we thought we would. We lost some games that we should have won**

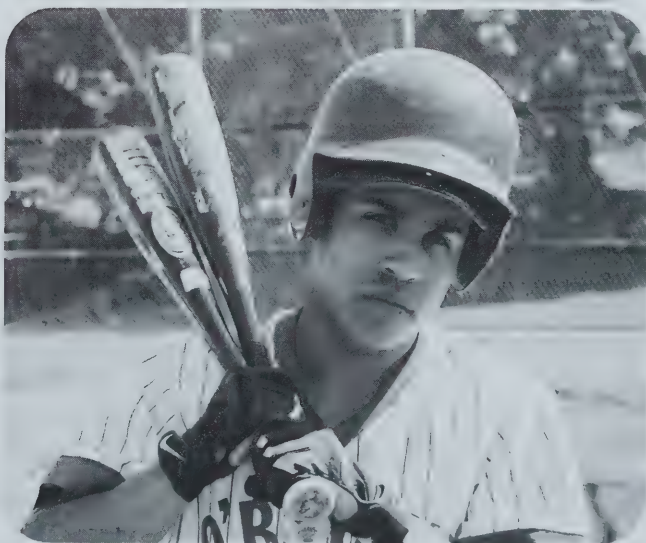

YBK: What would you like to see more of next year?

I would like to see more turn outs from students. We had a lot of people on the team but we would like to see a lot more.

I remember When...

The " I REMEMBER WHEN"
portion of this section takes a
look back at all of the sports
memories that have made us
laugh, cry and beat up
school mascots over the years.

I remember the Boys Soccer Team **NOT** winning any games
this year

I remember when **Kerry P.** fell off the pyramid at the battle of
the cheerleaders

I remember when a boy from Madison High tried to talk to one
of the cheerleaders and fell down **ALL OF THE STAIRS** at one
of the football games.

I remember how **GOOD** our boys looked in they're track shorts

I remember when **Farnold** dunked on **THREE DUDES** from
Westie and **Matt** dunked on Coach Junior

I remember when Ms. Fisher used to **ROAST** the whole Girls'
Basketball Team

I remember when the **WHOLE SCHOOL** came to the Boys' Basketball Game when we played at U.Mass Boston, and when we lost, we tried to beat up the people from the other school.

I remember when the football team put up flyers claiming they were going to **CRUSH THE TOWNIES..** but the Townies ended up CRUSHING them.

I remember actually having a **PEP RALLY** this year

I remember when a girl from Burke High kicked **Ashley Salomon** in the nose and made her bleed.. but Ashley still went back in the game 2 minutes later like nothing happened

I remember when the cheerleaders came in 3rd place and **Katrina** didn't stand up to get her trophy

I remember when coach Fig called **Cassandro** a "Major League Dog" because he wasn't running hard enough

I remember when the Cheerleaders came to the O'Bryant vs Latin Academy Girls Volleyball Game and made it a **COMPE-TITION** between Latin's Cheerleaders and our Cheerleaders

I remember when coach Fig called **Antonio and Bronco** "Marshmallows" because he thought they were being soft

I remember when Mr. Vidot forfeited all of the Football games because of **Darryl's** grades.

Don't you remember

These memorable times!

SPECIAL EVENTS

As the years go by and we reflect, we think about the memories we've shared.

Looking back there were times of anxiety, happiness, sadness and despair.

Though some of these things were unbearable we were still there.

No matter where we go, the times we experienced will always be alive.

So take a look at these photos but don't start to cry.

They are there for a remembrance of the essence, youth and beauty we have to share with the world.

These events create the oysters that makes us the pearls.

Special EVENTS

Don't cry because it's over

SPECIAL EVENTS

smile because it happened!

Happily Ever After

*Senior Prom: May 22nd, 2003
Hilton-Logan Airport*

Happily Ever After...

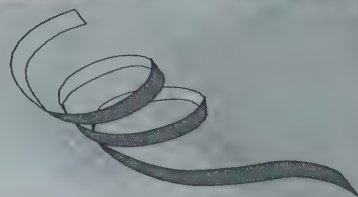

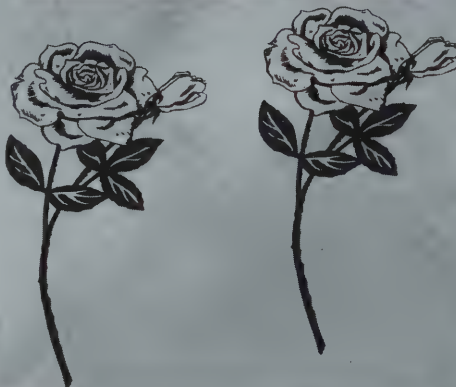

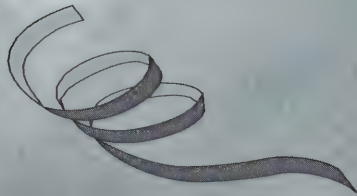

How things really went down!

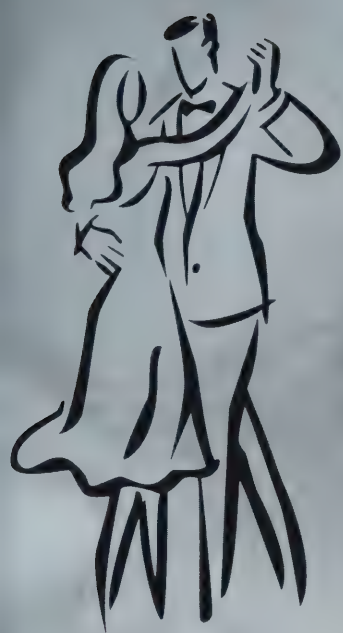

May 22nd, 2003 was the night that most of this year's seniors were waiting for. Although many thought that they were not going, the outcome was great. The evening started with your pictures being taken in the lobby while inside you heard the music of your choice from the speakers.

The attire for the evening was filled with mixtures of different likings. The ladies kept in fashion decked out in diva dresses and princess gowns. Most of the men wore white suits, Isley Brother's pin striped suits; let's not forget about the jean suit and the Islamic garb.

For some, the night was overrated. However, no matter how you put it, the night was one like no other. Once again O'Bryant, class of 2003 made the headlines of prom night known to all.

O'Bryant Students Cross the Stage

First and foremost, it is an honor to be standing here before the Class of 2003. I would like to thank the parents of the graduates and the family of John D. O'Bryant for supporting us through our high school years. It is through the concerted, diligent and combined efforts of students, parents and school faculty that we are here celebrating today. We are trailblazers. . . the first graduating class to pass the MCAS as part of our graduation requirements and raise the bar in higher education. Also, we went through three different principals in three consecutive years. That's something most other schools don't get to experience. I'm proud to acknowledge we survived these difficulties and emerged triumphant.

My fellow graduates, high school is a memory, a wonderful experience that I will always take with me. I have a poem that I would like to share with all of you tonight.

*Another year to come, another step closer
To new adventures in life.
There are countless challenges awaiting us out there,
As we end these precious memories of our youthful years.
Step by step, we'll walk the podium and receive a paper
That will tell us we've made it so far, for now.
High school is not a memory, but something that will always be a part of us.
And we'll carry it on forever.
Never a goodbye, my friends, for this is not the ending of a story.
But an opening chapter. . .
We'll choose new paths, new choices and most important
find out who we are as individuals
So hold your goodbyes, we'll cross paths again someday,*

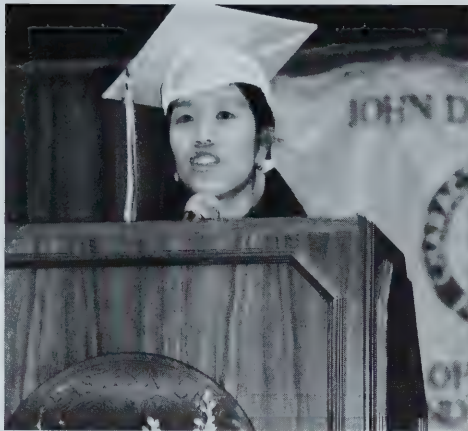

No matter if you have been a fourth year student or a sixth year student at John D. O'Bryant, the hard work we all put into our education was great. To be able to stand here required a lot of dedication and the Class of 2003 all possess it. We arrived as foreigners, from all different ethnicities and walks of life, but today we are a family and as we leave this arena, we will always be members of the John D. O'Bryant School Graduating Class of 2003.

A few words to ponder as we step forward to enter a new chapter in our lives may be: if referring to a future job, always try to remember to choose a job you live for, then you will never have to work a day in your life. If speaking of the future stepping stones in life, Confucius once said, "A journey of a thousand miles begins with a single step." We have to take the initiative step in life, and mature with changes. If speaking of keeping an even pace in life, "It does not matter how quickly you go, as long as you move forward." Just take your time to enjoy life, don't rush through it. And in wrapping it up, always remember that in order to accomplish great things, we must not only act but also dream; not only plan but also believe! So to all my fellow graduating classmates - CONGRATULATIONS!
